

To Whom It May Concern:

I recently had the honor to emcee a concert, on the program that evening was Gateway Sound. I had heard their CD, and was anxious to enjoy them in person. To say I was blown away, would be an understatement!

I emcee at least 175 concerts each year, so I have heard, and worked with, the best of the best. Gateway Sound captured my attention from the minute I walked in the building. Their attention to detail, in every way, immediately caught my eye. They already had a new fan, in me, before they ever stepped on the platform.

Here are a few of my observations:

1. They were prepared, arrived early, and knew exactly what they wanted to accomplish during the concert.
2. They presented themselves in a TOP NOTCH fashion! In a day when "dressing down" is accepted, that's not what you will find with Gateway Sound.
3. They were ready to sing, when called upon. They had a great selection of songs, and were able to adapt, as the evening progressed, to give the audience much more than they expected.
4. They kept the focus on our Lord, as they sang. Honor HIM, and HE will honor you with HIS presence, and HE did that night!

I just can't say enough great things about GATEWAY SOUND. This letter is from my heart, and was not something the group ask me to do. I felt compelled to put down, in words, some of my thoughts from this great evening of Praise, in song, from Gateway Sound.

I'm not one to write letters, or endorse a group.  
However, I am honored to do so for this group of men.

Whatever your needs are, for your next concert or church service, you need to schedule GATEWAY SOUND! The folks in attendance will be thanking you, at the conclusion.

Praising HIM through Gospel Music,
